

PRODUCT DESCRIPTION

Suthers Solutions Omega Balancer – powered by Strata, is a high EPA/DHA calcium salts form of Omega-3s that is ruminally protected to reach targeted tissues for optimal absorption. Research proven improvement of conception rates, health and immune status, and percent cows bred when utilizing Suthers Solutions Omega Balancer program for heifers, cows, bulls, and calves. Omega Balancer is available in tub or meal form and can be added to minerals, protein supplements and/or grain mixes to achieve a diet balanced in fatty acids.

- **What is Strata**
 - Rumen protected omega 3 – EPA/DHA
- **Why Strata Works**
 - Balances the omega 6 – omega 3 ratio
 - Most rations range from 20-1 up to 40-1
 - Best ratio 5-1 (Any improvement in ratio gives a linear improvement)
